You can earn points for your house by behaving in the 'Glebe Way' and being 'Glebeful.'

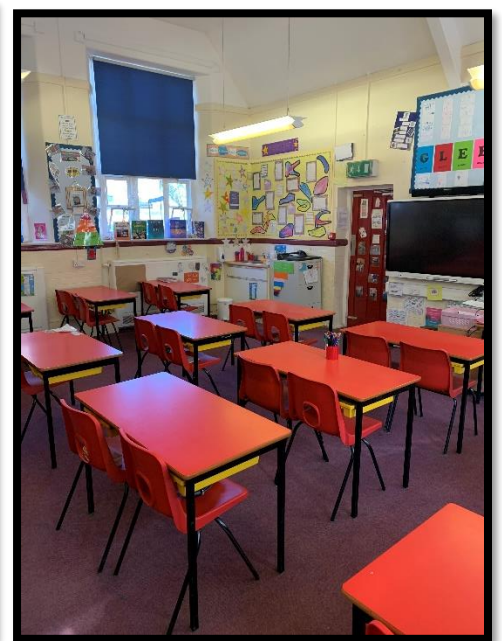

This is
where you
will come
into school.
You will go
through the
hall to your
classroom.

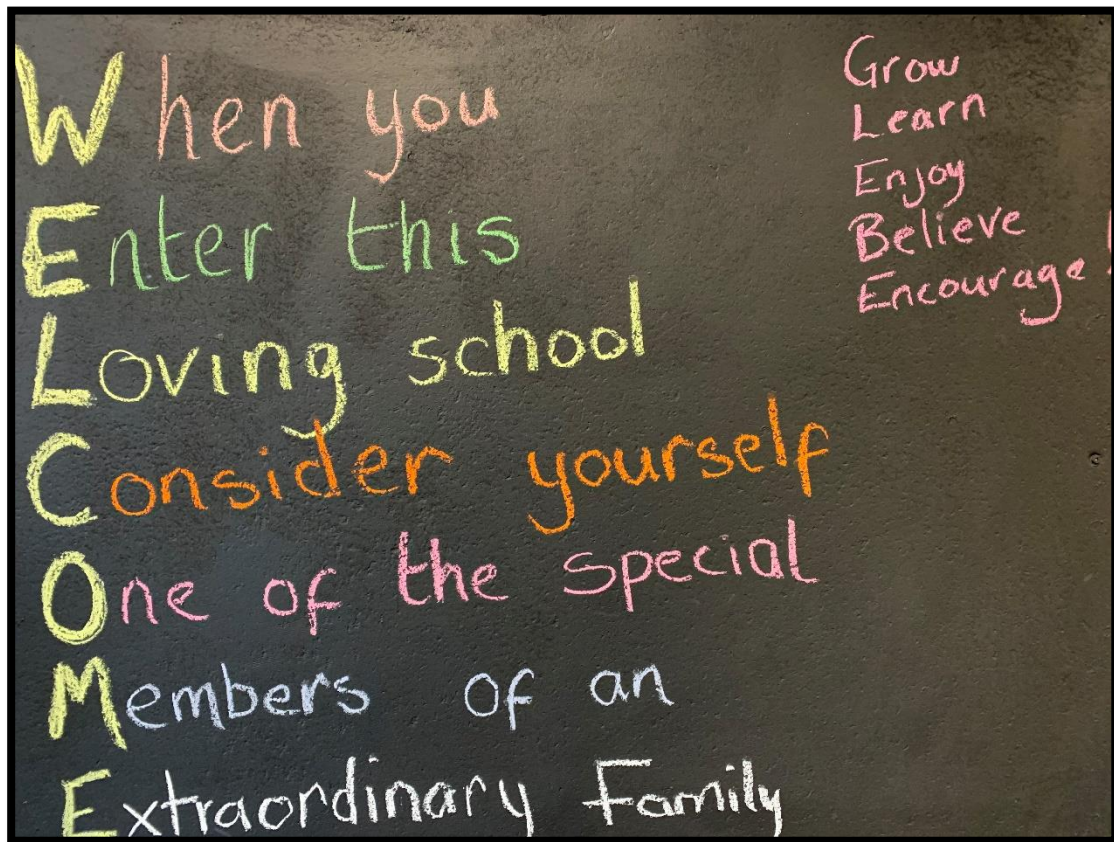

You can come straight into class from
8:40am - you need to make sure you are in
school by 9:00am.

The Year 3 classes are in the main building.

3Giraffes, 3Lions, 3Elephants, 3Baboons

We have lots of things to do on the playground - there is also a 'quiet area' if you want to sit and play quiet games or chat with your friends.

This is 'The Warren' where some children go for interventions and small group work.

At the back of 'The Warren' is 'The Nest' where some children will go for activities such as 'Me Time' and 'Lego Club.'

This is inside The Nest.

This is the Hall where you will have your lunch and take part in PE and assemblies.

We don't have whole school assemblies. Some assemblies are with Year 4, some days you will have assemblies in your classroom.

The Hall is in the main building near our classrooms.

Mr Watson is our Headteacher. His office is in the entrance corridor opposite the school office.

We have a Computing area.

We also have lots of ipads and laptops for you to use in class!

Our new library is also in the main building near the Year 3 classrooms and there are lots of books for you to choose from.

Back outside - we have lots of places to play and do PE/sports. There are two all weather courts.

As well as two huge fields.

We also have a lovely garden with a hand-made greenhouse...

And a super area we use for Forest Schools...

Mr Watson is the Headteacher.

Mrs Whelpton is the SENCO/Assistant Head and Head of Year 3.
