Headteacher: Steve Watson

Dear Parents,

In order to clarify the end of school arrangements regarding collection of pupils please complete and return the slip below.

If you are driving, please park your car and collect your child. Do not stop at the end of the barriers in the road as we have had complaints from other parents and drivers as this is dangerous. We would ask that you park away from the Hamlet and walk the last part of your journey to collect your child.

If for any reason there is a change please inform the office or put a note in your child's diary.

If the change is a permanent one moving forward please complete and return a new slip.

Mr Watson  
Head teacher

### End Of School Arrangements

My child will walk home	
My child will walk to a designated place to meet parent/carer	
My child will be collected in person from the school gate
