### **\*\*\*\*Nut Allergies\*\*\*\***

Just a reminder that we have children in school that have nut allergies. We ask that you do not send your child with snacks and lunch items that contain nuts. Thank you for your cooperation

### **Marvellous Maths day!**

Wow! What a fantastic day the children have had. Mixed groups of children from year 3-6 worked together to solve problems, bake, make mocktails, create mathematical art, play maths bingo and of course maths related outdoor activities- including forest school and the garden.

Thank you for all the effort with the maths themed and rockstar clothing! Your children looked fab! We were joined by so many parents who were able to experience the “buzz” around Maths in school. We ended the day with a celebration assembly where each group shared what they had done. Thank you again for all of your cooperation and superstar children. Mrs Finlayson

### **Y6 Leavers Hoodies Update**

We have had lots of enquiries around Y6 leavers hoodies. We do have two parents who have been producing the hoodies for Glebe children, one example can be seen on ClassDojo, this was created by Jackie Brady (contact on 07792795054) and the other images shows the contact details of the second parent. If anyone wants any further details about hoodies or to purchase one for their Y6 child, both parents would be happy to support you with this. Y6 children will be able to wear their hoodies as part of their school uniform from next week. Any question please do not hesitate to contact me. Ms Williams

### **Sun Safety: Stay Protected While Enjoying the Outdoors!**

As we enjoy the warm weather and sunny days, it's important to prioritize our skin's health. Here are some simple yet effective sun safety tips to keep you protected!

1. **Wear Sunscreen:** Apply a broad-spectrum sunscreen with at least SPF 30. Remember to reapply every two hours, or more often if you are swimming or sweating!
2. **Seek Shade:** Whenever possible, find a shaded area, especially during peak sun hours between 10 AM and 4 PM.
3. **Dress Appropriately:** Opt for lightweight, long-sleeved shirts, wide-brimmed hats, and UV-blocking sunglasses to protect your skin and eyes.
4. **Stay Hydrated:** Drink plenty of water to keep your body hydrated while enjoying outdoor activities.

5. **Educate Yourself:** Learn more about the importance of sun safety and how to protect your skin by visiting trusted websites like [www.sunsafeschool.co.uk](http://www.sunsafeschool.co.uk)

Let's have fun in the sun, but let's do it safely! Enjoy your summer adventures and remember to take care of your skin!
